Eligibility Criteria

Undergraduate (UG) Programmes

- Candidates must have **completed 10+2 (or equivalent)** from a recognized board (State, CBSE, ICSE, or International Boards).

- Minimum required marks: **50% aggregate** in the qualifying examination (general category) or as per the programme-specific rules.

- Certain programmes may require **subject-specific eligibility**. For example:

    - **B.Sc Computer Science / Mathematics:** Candidates must have studied Mathematics in 10+2.

    - **B.A English:** Candidates must have studied English as a core/optional subject.

Postgraduate (PG) Programmes

- Candidates must have completed a **relevant undergraduate degree** from a recognized university.

- Minimum required marks: **50% aggregate** in the qualifying degree (general category).

- Programme-specific eligibility:

    - **M.Sc Computer Science:** B.Sc in Computer Science / Information Technology / Electronics or equivalent.

    - **M.Com:** B.Com / BBA / BBM or equivalent in commerce stream.

    - **M.A English:** B.A English / Literature or equivalent.

    - **MBA:** Any recognized bachelor's degree with minimum 50% marks.

Other Conditions

- Reservation and eligibility relaxation will be as per **Government / University norms**.

- Candidates awaiting results may apply **provisionally**, subject to submission of final mark sheets before admission.

- Foreign students must submit **equivalent educational certificates** recognized by the University.
